Food deliveries to the local communities

President Roger with Antonia at San Lluís

The Age Concern Centre in Menorca has been delivering much needed supplies of food to local social service organisations in San Lluís, Es Castell and Mercadel. Each area makes a list of needed items and the Centre arranges the purchase and delivery. The items range from baby milk to pasta and fresh vegetables. In the photographs you can see members of Age Concern Menorca with representatives of each local district.

Age Concern Centre

The Age Concern Centre on the Poligono in Mahon has been going from strength to strength with the addition of a dedicated furniture showroom right next door to the current Centre. The sales from the shop have been making a great contribution to supporting our work in the community in Menorca.

Did you know that Christmas is just around the corner?

Don't be caught knapping!

From the middle of October the Centre on the Poligono in Mahon will have a fantastic range of Christmas and party decorations. Cards, hats, decorations and much much more!

Fashion Show at The Ladies Luncheon Club in aid of Age
Concern

At a recent meeting of the Ladies Luncheon Club in Mahon a number of their members modelled clothing donated to Age Concern. The clothes were then auctioned and the funds raised presented to Age Concern. Our Centre Manager, Carole Kenyon, gave a talk to the ladies on the work of Age Concern Menorca. We really appreciate the support the ladies gave our organization. Everyone had fun too.
